BULLETIN NO. 57-6

November 19, 1956

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND ESTABLISHMENTS

SUBJECT: Budget data on scientific research and development activities

Each agency which conducts or contracts for scientific research and development activities is requested to submit an analysis of budget data for these activities, prepared in accordance with the attached instructions. This information will be used in the preparation of a special analysis on this subject for the 1958 budget document.

The National Science Foundation will compile a more detailed analysis on this subject at a later date, and will request each agency to supply the necessary information. The information submitted for the budget document should be consistent with the information which will subsequently be submitted to the Foundation.
